## BOOK SYNOPSIS

Bears and bunnies aren't supposed to mix, or that's what Chase keeps telling himself when his bouncy new neighbor won't stay out of his business—and his mind. However, the more he gets to know his overly perky neighbor, the more he craves her—naked in his grasp—a desire worse than his addiction to honey and pie. Miranda's on a mission for the Furry United Coalition, and it involves secretly guarding one grumpy old bear. Staying focused on the job isn't easy when all she can think about is turning his frown upside down, a task made harder when she gets a glimpse of his passion. When she hears about his theory on woodland creatures and predators not mixing, she thinks all is lost, but she didn't count on a bear's curious nature—and possessive need. Furry United Coalition (F.U.C): A series is loaded with giggle-out-loud moments, raunchy innuendo and the strangest shapeshifters you'll ever meet, including a killer bunny. It's also full of romance and great, if mismatched, couples. Book order: Bunny and the Bear, Swan and the Bear, Croc and the Fox, Lion and the Falcon, Doe and the Wolf, Ostrich and the Roo Genre: paranormal romance, werewolf romance, shapeshifter romance, fantasy romance, alpha male, bear romance, humorous romance, romantic comedy
