BOOK SYNOPSIS

Lavish parties. Committee chairmanships for sale. Pay-to-play corruption. Backroom arm-twisting. Votes on major legislation going to the highest bidder. Welcome to Washington, D.C., the swamp that President Donald Trump was elected to drain. Congressman Ken Buck is blowing the whistle on the real-life House of Cards in our nations capital. Elected in 2014 as president of one of the largest Republican freshman classes ever to enter Congress, Buck immediately realized why nothing gets done in Congress, and it isnt because of political gridlock—in fact, Republicans and Democrats work together all too well to fleece taxpayers and plunge America deeper into debt. "It is an insular process directed by power-hungry party elites who live like kings and govern like bullies," Buck reports. Buck has witnessed first-hand how the unwritten rules of Congress continually prioritize short-term political gain over lasting, principled leadership. When Buck tangled with Washington power brokers like former Speaker John Boehner, he faced petty retaliation. When he insisted Republicans keep their word to voters, he was berated on the House floor by his own party leaders. When other members of Congress dared to do what they believed to be right for America instead of what the party bosses commanded, Buck saw them stripped of committee positions and even denied dining room privileges by the petty beltway bullies. In *Drain the Swamp*, Buck names names and tells incredible true stories about what really happened behind closed doors in Congress during legislative battles that have ensued over the last two years including budget, continuing resolutions, omnibus, trade promotion authority, Iran, and more. If the Trump administration is going to bring real change to Washington, it first needs to get the whole story—from deep inside the swamp.

DRAIN THE SWAMP HOW WASHINGTON CORRUPTION IS WORSE THAN YOU THINK - Are you looking for Ebook *Drain The Swamp How Washington Corruption Is Worse Than You Think*? You will be glad to know that right now *Drain The Swamp How Washington Corruption Is Worse Than You Think* is available on our online library. With our online resources, you can find *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. *Drain The Swamp How Washington Corruption Is Worse Than You Think* may not make exciting reading, but *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with *Drain The Swamp How Washington Corruption Is Worse Than You Think* and many other ebooks.

We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with *Drain The Swamp How Washington Corruption Is Worse Than You Think*. To get started finding *Drain The Swamp How Washington Corruption Is Worse Than You Think*, you are right to find our website which has a comprehensive collection of manuals listed.
