## **BOOK SYNOPSIS**

Just what IS a "survivalist family"? instead of "survivalist family" we could say "prepared family" or talk about "family preparedness" but that is just so politically correct it makes one sick. Just because the media dont like survivalists and therefore vilify them does not mean we have to change our language. For our purposes, the Survivalist Family is defined as, "A multi-generational group of people living in one house (usually consisting of a father, mother and their offspring) who take positive steps as a cohesive group to prepare for possible future negative situations and circumstances beyond their control." This book will guide you through all that is necessary to be prepared for future uncertainty.
